

# PAYMENT FACILITATOR PARTNERSHIP

Rapyd is a trusted and experienced global acquirer for both ecommerce and point-of-sale. With fast implementation, fast onboarding, high acceptance rates and hands-on support, partnering with Rapyd unleashes your sales potential.

## PAYMENT FACILITATORS TRUST RAPYD

**LICENSED IN  
EU, UK & SINGAPORE**

Expanded licensing coming in 2024, including US, Latin America and Hong Kong.

Support your merchants with an end-to-end card acquiring solution.

### ONE PARTNER. ONE SOLUTION.

Streamline sales and accept card-present (POS) and card-not-present (ecommerce) transactions.

- 80% use Rapyd for both ecommerce and POS
- 30% work with Rapyd in both the U.K. and Europe

### INTEGRATION FLEXIBILITY

Use our API, White Label Gateway, or try our hosted checkout pages and payment links.

- Rapyd is pre-integrated to most major gateways
- Including ACI, Cardstream, Monet+, IXO Pay, NETS, N&TS, Bill1st, Centrobill, Multipay, Rocketgate, Tribe

### VISA, MASTERCARD & AMEX

Accept all major cards in the U.K. and across the E.U. with dual EMI and acquiring licenses.

- A top 3 acquirer in Europe and U.K.
- Support card-present and card-not-present transactions

### FAST ONBOARDING

Enjoy immediate, real-time onboarding for your merchants.

- Rated 9.7/10 for onboarding speed for existing partners
- Immediate approval for 100% of your merchants

### OMNICHANNEL SOLUTIONS

Sell in-store and online with fixed and wireless point-of-sale support.

- Accept ecommerce, SoftPOS, MobilePOS, POS, QR codes, GooglePay and ApplePay payments
- Supports hardware by Pax, Ingenico, Verifone, SoftPOS by Phos, SoftPay, Yazara and more
- Use the Rapyd App or SDK to enable additional capabilities when using the PAX terminal

### WHITE GLOVE SERVICE & SUPPORT

Integrate easily with dedicated support every step of the way.

- Benefit from a dedicated relationship manager
- Enjoy quarterly business reviews and 24/7 support
- Join satisfied partners that have been processing with Rapyd for over 10 years

### BUILD BOLD. GET RAPYD.

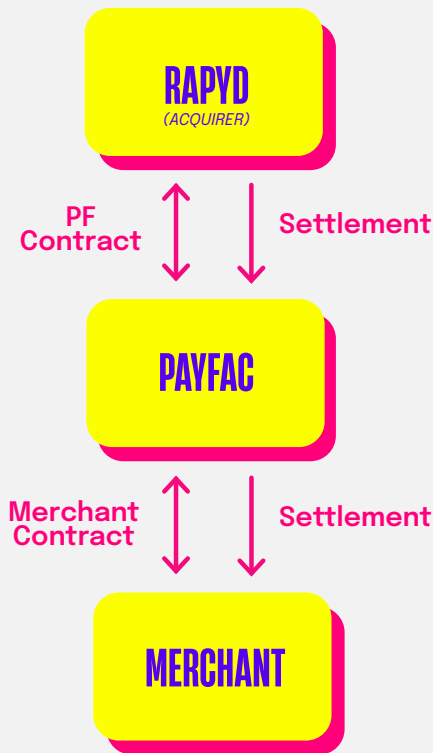

Global commerce with all the tools your business needs to create payments, payouts, and fintech experiences everywhere.

## PAYMENT FACILITATOR MODEL

As a Payment Facilitator, you underwrite, onboard, settle to and support your merchants, while Rapyd takes care of the card schemes relations, core processing, reconciliation and second-tier support.

## WHAT RAPYD OFFERS PAYMENT FACILITATORS

- Instant Merchant Onboarding
- Increased Visibility into Transactions
- One Easy Integration
- Accept Visa, MasterCard, AMEX, GooglePay, ApplePay and More
- Process eCommerce and POS Transactions
- Payment Terminal Support including MobilePOS and SoftPOS

## “ REAL TALK FROM RAPYD PARTNERS ”

Mollie is providing payment services to a wide range of ecommerce clients; from small niche outlets and startups to large corporates. **In Rapyd we have found a trusted partner** with the right mindset, backed by technology and processes, enabling us to live up to this promise.

- Mollie

Klarna was looking for a partner to facilitate our payment systems across Europe; a company we could trust to deliver in the same flexible, yet secure, way that we do, and **Rapyd has proven to be the ideal partner.** Their response both in technical expertise and timing is excellent, and the solutions they provide us with are comprehensive.

- Klarna
