

# SOLVE PAYMENTS FOR MORE MERCHANTS WITH OMNICHANNEL ACQUIRING

Rapyd is a leading global acquirer trusted for eCommerce and in-store payments. As a top-3 acquirer in the UK and EU, we unlock ISOs' sales potential with fast setup, high authorisation rates and unrivalled support.

**Rapyd is a principal member of Visa and MasterCard, operating in the EU, UK, Israel and Singapore. Coming soon to HK and LATAM.**

## AN END-TO-END CARD ACQUIRING SOLUTION

ISOs have the choice of a variety of online and in-store solutions to fit your business model.

### OMNICHANNEL PAYMENTS

Enable commerce everywhere with a wide range of integrated payment acceptance solutions for in-store, online and on-the-go.

### POWER IN-STORE SALES

Select from a wide range of card machines, including the latest PAX terminals, as well as multiple softpos options.

### TRY THE RAPYD PAY APP FOR PAX

Enable advanced features and control when using Rapyd on PAX terminals.

### DYNAMIC CURRENCY CONVERSION

Allow international cardholders to purchase goods or services in their home currency OR the merchant's local currency, online and in-store.

### TAP TO PAY ON IPHONE AND ANDROID WITH RAPYD

Enable merchants to accept all types of in-person contactless payments right on their smartphones.

### INTEGRATE YOUR WAY

Connect via API, plug-ins, white-label gateway, and our global gateway partners. Or try our hosted checkout pages and payment links.

### ACCESS PRE-INTEGRATED GATEWAYS

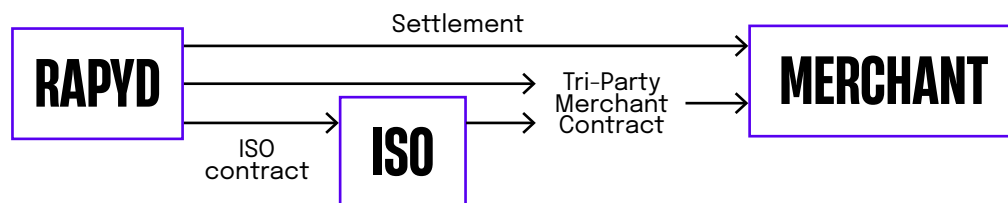

Use one of the 60+ gateways already connected to Rapyd or use the Rapyd API to integrate your own gateway.

### VISA, MASTERCARD & AMEX

Support Visa, MasterCard and American Express across the U.K. and EU with multi-currency and FX options.

## ISO MODEL

Rapyd works with you to complete your merchants' onboarding, providing a first-rate customer experience, every step of the way.

## EVERYTHING ISOs NEED TO SUCCEED
